January 5, 2021

Dear Designated Caregivers:

As you are aware many staff have received the Health Canada Approved Pfizer Vaccine as part of the roll out to protect our seniors. We have now been advised that the Pfizer Vaccine against Covid-19 is available for our Designated Caregivers. If, you are designated as a Caregiver/Essential Visitor, the opportunity to receive this vaccination must be booked through our home, for the community based vaccine clinics. If you have given the home your email address, we ask you to read the information regarding the vaccine and consent form attached to this memo. If we do not have your email address the vaccine information and the consent form is available on our website www.ioof.com.

While the Ministry and SMDHU both highly encourage you to be immunized against COVID-19, it should be noted that immunization is voluntary.

Note that at this time, the vaccine is not indicated for:

- a. Those who are pregnant or breastfeeding;
- b. Those under 16 years of age;
- c. Those with auto-immune disorders; or
- d. Those who are immunosuppressed due to disease or treatment.

If, after careful review, you are committed to receiving the vaccination, we ask you to call weekdays between 10:00am - 4:00pm starting **Friday Jan 8, 2021**. To book an appointment with our team, based on the location of where your loved one resides within our Home, please Dial 705-728-2389 and the applicable extension as per the below:

Allandale Village please call Cathie Foley - Ext. 303
Simcoe Lodge and Baldwin Lane please call Kelly Young - Ext. 301
Georgian Way please call Karen Jones - Ext. 317
Kempfenfelt Court please call Gaja Damas - Ext. 338.

In order to book your appointment by phone you will need to provide the following information:

- Legal First and Last Name (as it appears on your Health Card), Date of Birth, Phone Number, Email and Gender.

You will then receive a confirmation email from the Covid-19 Vaccination Clinic with the particular details of your appointment including location and arrival time.

This vaccination opportunity for our designated caregivers will continue as the vaccines are made available.

Visiting Restrictions remain in effect until further notice.

The health and safety of our Residents, and the team members who serve them, is our highest priority.

Sincerely,

Garry

Garry C. Hopkins
CEO
